

**RESOLUTION OF THE CHAIRMEN’S CAUCUS OF THE REPUBLICAN  
PARTY OF FLORIDA. EXPRESSING OPPOSITION TO COMMON CORE  
STANDARDS AND CURRICULA FOR FLORIDA SCHOOLS**

**WHEREAS**, on April 11, 2013, the Republican National Committee (RNC), in a special meeting in Los Angeles, California, released their “RESOLUTION CONCERNING COMMON CORE EDUCATION STANDARDS” AND THE MEMBERS OF THIS Committee herein express to the people of Florida their full and unequivocal support for the positions taken by the RNC, and

**WHEREAS**, the Common Core State Standards (CCSS) are a set of academic standards, promoted and supported by two private membership organizations, the National Governor’s Association (NGA) and the Council of Chief State School Officers (CCSSO) as a method for conforming American students to uniform (“one size fits all”) achievement goals to make them more competitive in a global marketplace<sup>1</sup>, and

**WHEREAS**, the NGA and CCSSO, received tens of millions of dollars from private third parties to advocate for and developed the CCSS strategy, subsequently created the CCSS through a process that was not subject to any freedom of information acts or other sunshine laws, and never piloted the CCSS, and

**WHEREAS**, even though Federal Law prohibits the federalizing of curriculum<sup>2</sup>, the Obama Administration accepted the CCSS plan and used 2009 Stimulus Bill money to reward the states that were most committed to the president’s CCSS agenda; but, they failed to give states, their legislatures and their citizens time to evaluate the CCSS before having to commit to them, and

**WHEREAS**, the NGA and CCSSO in concert with the same corporations developing the CCSS ‘assessments’ have created new textbooks, digital media and other teaching materials aligned to the standards which must be purchased and adopted by local school districts in order that students may effectively compete on CCSS ‘assessment’, and

2

**WHEREAS**, the CCSS program includes federally funded testing and the collection and sharing of massive amounts of personal student and teacher data, and

**WHEREAS**, the CCSS effectively removes educational choice and competition since all schools and all districts must use Common Core ‘assessments’ based on the Common Core standards to allow all students to advance in the school system and to advance to higher education pursuits; therefore

**BE IT RESOLVED**, the Republican National Committee and the St. Lucie County Republican Executive Committee, as stated in the 2012 Republican Party Platform, “do not believe in a one size fits all approach to education and support providing broad education choices to parents and children at the State and local level,” (p35), which is best based on a free market approach to education for students to achieve individual excellence; and

**BE IT FURTHER RESOLVED**, the Republican National Committee and the Republican Party of Florida’s Chairman’s Caucus recognize the CCSS for what it is an inappropriate overreach to standardize and control the education of our children so they will conform to a preconceived “normal,” and

**BE IT FURTHER RESOLVED**, that the Republican National Committee and the Republican Party of Florida’s Chairman’s Caucus reject the collection of personal student data for any non-educational purpose without the prior written consent of an adult student or a child student’s parent and that it rejects the sharing of such personal data, without the prior written consent of an adult student or a child student’s parent, with any person or entity other than schools or education agencies within the state, and finally,

**BE IT FURTHER RESOLVED**, the 2012 Republican Party Platform specifically states the need to repeal the numerous federal regulations which interfere with State and local control of public schools. (p36); and therefore, the Republican National Committee and the Republican Party of Florida’s Chairman’s Caucus reject this CCSS plan which creates and fits the country with a nationwide straitjacket on academic freedom and achievement.

**Approved and adopted this 10th day of January 2014, at the RPOF Chairman’s Caucus in Orlando, Fl.**

I, the undersigned Chairman of the RPOF Chairmen's Caucus representing its membership, hereby certify that the foregoing Resolution was adopted by the Republican Party of Florida's Chairman's Caucus.
